

THE ARCHITECTURE OF GRACE FOUNDATION

The Architecture of *Grace*

Drawing Activities — Book 1 · The Foundation

Complete teacher edition for Grades K–2 (Early Childhood). Four drawing activities across the program's four ideas.

Identity Web

Example completed student web — every web is unique

Each branch is filled by the student. No two webs look the same — that is the point.

— STEP-BY-STEP STUDENT INSTRUCTIONS —

1
START

Students draw their *name* in the centre circle.

2
BUILD

Five branches radiate out — one per prompt. Each branch can be a drawing, a few words, or both.

3
CLOSE

Branch 5 is optional — students do not need to share it. Every web is valid; every answer is right.

TEACHER NOTE

Model your own web first on the anchor chart before distributing. Students do not need to share Branch 5. Every web is valid — every answer is right.

ARCHITECTURE OF GRACE

This is a free preview.

Drawing Activities (K-2)

The complete set is part of the Architecture of Grace district curriculum. Educators can license the full library; families can find materials in the family store.
