UNIT 1 • LESSON 1

Identity Audit

Who am I when I'm performing — and who am I when I'm not?

PRIVATE WORK

Never collected • Never shared • Belongs entirely to the student

When I am PERFORMING

What do I show? What do I hide? What do I emphasise?

When I am NOT performing

What do I actually think, feel, value, and struggle with?

Noticing the gap

Without judging yourself, what do you observe between these two columns?

FOR THE FAMILY

Today we began our identity unit by examining the gap between the persona students perform socially and who they actually are. You can open this at home by modelling vulnerability — share a moment when you felt like you were “performing” rather than being real.
