## Universal Check-In — Pilot Feedback

For Specialists & Support Staff

Thank you for piloting the check-in with the students you support. This takes about 6–8 minutes. You see students across classrooms and tiers, so your read on fit, accessibility, and follow-through is especially valuable. Be candid — what confused a student or broke is the most useful thing you can tell us.

### 1 · The Welcome (Hero) Page

| Statement                                                                   | SD                    | D                     | N                     | A                     | SA                    |
|-----------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| The opening page made the purpose clear within a few seconds.               | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| It felt calm and trustworthy — not clinical or salesy.                      | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| It was obvious what to do next (the three doors).                           | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| It's polished enough that I'd comfortably show it to a colleague or parent. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

### 2 · Explore the Framework

| Statement                                                                                 | SD                    | D                     | N                     | A                     | SA                    |
|-------------------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| The four pillars (Identity, Self-Compassion, Forgiveness, Grace) were easy to understand. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The “How one answer becomes growth” walkthrough made the closed-loop system clear.        | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The Resource Index helped me find relevant lessons or stories.                            | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The linked lesson and story materials were genuinely useful.                              | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

### 3 · The Check-In

| Statement                                                      | SD                    | D                     | N                     | A                     | SA                    |
|----------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| The questions were age-appropriate for the students I support. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Students understood what was being asked.                      | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The length felt right (Quick vs Thorough modes).               | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The results felt accurate and useful to me.                    | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The results read as kind and supportive, not as a scorecard.   | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

### 4 · Calm & Regulation Tools

Which tools were tried? (check all)

☐ Paced Breathing ☐ Take 5 ☐ Tap Pad ☐ Calm-Down Jar ☐ Weather Check-in ☐ Emotion/Feelings Wheel ☐ Grounding (5-4-3-2-1) ☐ PECS / Show-to-Teacher

| Statement                                             | SD                    | D                     | N                     | A                     | SA                    |
|-------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| At least one tool helped a student settle or refocus. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The tools were easy for students to use on their own. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

## 5 · Personal Touches & Polish

| Statement                                                                         | SD                    | D                     | N                     | A                     | SA                    |
|-----------------------------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| The daily Word of Grace felt meaningful and age-appropriate.                      | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Tailoring by audience (Child / Teen / Adult) was useful.                          | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The Personalize options (accent color, optional sound) were easy to find and use. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| The calm-tool finish (streak + time-back note) felt encouraging, not gimmicky.    | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

### Overall — Did It Help?

| Statement                                                     | SD                    | D                     | N                     | A                     | SA                    |
|---------------------------------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| This helped me understand a student a little better.          | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| It led to a real next step — a lesson, conversation, or plan. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Would you use this again? ☐ Yes ☐ Maybe ☐ No

How likely are you to recommend it to a colleague? Not likely 0 — 1 — 2 — 3 — 4 — 5 — 6 — 7 — 8 — 9 — 10  
Extremely likely

### In Your Own Words

Which area worked best for the students you support, and why?
