Feelings Are Messengers

Not Problems — They Tell Us Something

Every feeling has a message. Feelings are not problems — they tell us something important.

**HAPPY**

Something good is happening. I am safe and okay.

**SAD**

Something I care about was lost or hurt. I might need a hug.

**ANGRY**

Something feels unfair. I need help.

**SCARED**

Something feels unsafe. My body wants to keep me safe.

**EMBARRASSED**

I care what people think — that means I care about belonging.

**WORRIED**

Something feels uncertain. My brain is trying to keep me safe.

**LONELY**

I need connection. That feeling is real and it matters.

**PROUD**

I did something hard. I worked through it.
