

QUICK-START

For Adults (Self-Use)

Welcome. Here is the five-minute way to take your first check-in for yourself - and to notice your own growth over time.

- 1 Open the site**
Go to architectureofgrace.org.
- 2 Take it for yourself**
Begin Self-Reflection - For grown-ups & teams, then Quick or Thorough.
- 3 Answer honestly**
Nothing is shared; your responses stay on your device.
- 4 Catch your breath**
Read your results, and try a tool from Calm & Regulation Tools (breathing, Take 5) if you like.
- 5 See it over time**
Check in each season and watch your own trajectory across the three domains - growth, gently, not a grade.
- 6 Make it yours**
Use Personalize (sliders icon) - set the Word of Grace to Adult and pick an accent color.
